## A PRAYER FROM THE BIBLE SOCIETY

Today I pray for our country, I ask that you would give our Prime Minister wisdom beyond her own understanding and the courage to choose the right path no matter how narrow the gate.

I pray for all in authority over us that you would give them the grace and strength to stand against the temptation to use power as a weapon but rather to carry it reverently as one would a child. I pray for the spiritual leaders of our country that they would hear your voice and know your heart.

I pray that they would lead from their knees and by that simple grace bring each one of us to our knees before your throne.

Have mercy on our nation Lord, in Jesus' name. Amen
